# **GOLD VEIN HIT** IN FIVE TO ONE

A THIRD LEVEL IN THE PROPERTY OF onnel last night put the named six purently flatter that was at first eshauted with peopletry showing in ported has night that gold panning proof bin-k seams appeared that may he daids of from currying gold. Per sons who were ut the tunnel this moranic saw the pannings from the triRings

the work may now be in a merchange of formation; expense say this s impossible and that a ven has tion out. There are narrow contine of type of Goldweld gold-bearing

The Five to-time has become the main repai of convenition amote Goldfield mining men, who since the cutting of the vern, have become intensely interested in the work, and the interest is growing as the 1907 net notes farther into the vein.

#### ROCHESTER MINES GET POWER AGAIN JIAK UT WES

Mines in the Rochester district Nevada are again being supplie with power for operations after a idleness of a month, due to luck of power caused by the shortage of wa ter for the Nevada Valleys Power company's plant at Laboutan. The Packard and Bachester aliver mines companies have resumed operations and other industries in Pershina and Churchill counties have resumed Fallon, Lovelock and other fowns served by the Lahoutan plants are muam enjoying relective lights in stead of lamps and candles. Recenstorms in Nevada, together with the fact that the irrigation season i drawing to a close; have increased the water supply sufficiently for the needs of the water company. Hem--1.1

### LEGION PLANS TO SECURE OWN HOME

A committee of the local post of the American Legion met last eveniry to consider plans by which the est might acquire a rightness on Divide-100 2.00, 100 2.0252; 200 which quarters would be provided 2.02%; 300 2.02%; 500 2.02%; 400 both for the post and for the ladies suxilitary. A number of sugmestions cere made, but no definite action

Thirty Republican states have ratined the woman suffrage constitution at amendment, while only seven Deniceratic states ratified, so come to the Harding-Coolidge club meeting conight at Eagles' hall, we fair women voters," and join the "brave men voters in calebrating the emancipation of American womanhood Nov.

This nece of road fies within Esmeralda ounty, and the people not only of Ponopah, but of Mineral and Esmerrida counties will be pleased to learn that this piece of road is to be repaired and will be thankful to the ommission for ordering it done.

AUSTIN, Sept. 16. Three carloads if mill machinery and three cars of lumber have been received at Ledlie slipping point on the Nevada Ceniral for the Stin of the West mine at Gold Park, and are being transported to the mine by auto track by Retties Bros, who have the contract. The last car of machinery was shipped from Denver August 24 in time to escape the increase in freight cases. R. B. Todd, president of the company, estimates a saving of floor in freight by shipping be ore the rates advanced.

At the mine the concrete foundaone have been poured and work of setting the machinery will follow water pipeline one mile in length s being laid from springs to supply cater for the camp and mill. Contruction of the mill is under super iston of Lewis Halley, who left the United Verde reduction works in Arraona to take the Joh Mr. Balley will remain as mill superintendent It is hoped to have the plant linished and in operation by November 1.

Gold Park district is in the north west part of Nye county, near the Nye-Lander county line. The Star. of the West mine was formerly apcruted by an English company, title passing to the present company about two years ago. The ore conains values in gold, silver and lead. flost of the gold values will be exracted by amalgamation on tables set below the ball mill. Wet conentration will extract a large perentage of the silver and lead and to talling from the concentrating ables will be treated by all flots in. The nill has a rated capacity f 50 tons per 24-hour day.-Nevada
